WITH SIMPLY THEATRE ACADEMY

Simply Theatre is the premiere English-speaking performing arts school in Switzerland. We have supported over 10,000 parents who want their children to have the maximum opportunities, greatest freedoms and happiest possible lives. Specifically the courses and experiences we deliver equip the children we care for with the confidence, life skills and cultural awareness that will help them achieve this.

MINI DRAMA (4-6 YRS)

We believe strongly that the positive experiences which we enjoy as children are those which we become passionate about in life. Therefore, 'fun' is the key word for our Academy 'Mini Dramas'.

STAGE 1 DRAMA (7-9 YRS)

Students now begin to explore the role of the voice and body in acting, as well as continuing to use theatre games, exercises and scenarios in order to enhance both their theatrical and social skills.

STAGE 2 DRAMA (10-12 YRS)

Students begin to engage in a more detailed way with character and situation, stretching their imaginations, and learning how voice and body can be used imaginatively and creatively to transform the actor into non-human forms.

STAGE 3 DRAMA (13-17 YRS)

Alongside continuing development of their improvisation, devising and text skills, students are introduced to techniques taught at the major accredited drama schools in the UK, applied to contemporary and classical texts.

MINI PERFORMING ARTS

(4-6 YRS)

This course offers our youngest students a first glimpse into the world of Musical Theatre. These courses are bursting with fun as students explore the disciplines of singing and dancing using games and toe tapping musical theatre numbers.

PERFORMING ARTS

(7-17 YRS)

This course offers comprehensive, all round Musical Theatre tuition. Each weekly session of three hours is split into three 55 minute classes, where our students work alongside our engaging, highly-experienced tutors on the core disciplines of singing, dancing and acting. Through an exciting exploration of carefully chosen materials, our students are enthused and inspired to develop as all round performers.

SHOWCASES

All students have the opportunity to put their performance skills into action when they perform in a professional theatre in their end of year showcases.

LAMDA

Simply Theatre Academy is proud to offer its students the opportunity to take LAMDA examinations in Acting and Musical Theatre. LAMDA (London Academy of Music and Dramatic Art) is one of the UK's most prestigious drama schools offering performance-based examinations and examinations are open to all Academy students aged 7 plus.

Over the past 12 years, Simply Theatre Academy has forged great links with LAMDA, who have been impressed with the Academy facilities, staff, setup and the high standards achieved by our students. Typically 70% or more achieve distinction each year.

AUDITION BASED PRODUCTIONS

Simply Theatre students over the age of 8 are given the opportunity of auditioning for our Academy plays and musicals. Although the auditions are tough, those lucky students selected have the opportunity of working on a show with very high production standards, creating memories that last a lifetime as well as greater esteem and confidence.

CULTURAL EXPERIENCES

At Simply Theatre we know that theatre is not just about drama classes; and we also know that when children attend productions early on, they go on to develop a love of culture that lasts a lifetime. That's why we've produced both professional and student shows in English over the last 13 years. All Simply Theatre students have access to see our productions for free and are encouraged to attend regularly.
