

# How we're keeping you safe at **SIMPLY THEATRE**

If you or anyone in your household has symptoms of COVID-19, **Do not come in.**

Only students in our venue during class times. You may arrive up to 15 minutes before your class, but no earlier.

Students must sanitize their hands on arrival and have their temperature checked.

Students must head straight to their class on arrival, where bags can be placed in our storage units.

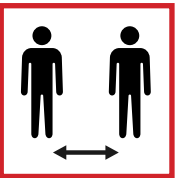

The dressing rooms are out of use, so students must arrive to class in their uniform where possible.

Individual classes are being kept in bubbles away from other groups where possible.

Enhanced cleaning is taking place. In addition, between classes, studios will be ventilated and re-sanitized.

Social distancing markers are in place. Students and staff must be 1.5m apart where possible in communal areas.

Staff will wear masks in communal areas and students are encouraged to do the same.
