

Open Stage Night

Applications for Saturday 9th October are now OPEN!

What is it?

Open Stage Night! gives our students more opportunities to practice performing in a professional theatre environment in front of a live audience. The night will take the form of an open mic night where students sign up to a series of performance slots. It will be a relaxed atmosphere where you can experiment with new material, show us the song you've been dying to perform, dance, or even a comedy routine. No matter what you choose this night is for you to showcase your talents in front of friends and family, with all the support of professional theatre lighting and sound.

What do I need to know?

You can perform either individually or in groups. Please note the minimum age to perform is 8 years old and all we ask if that is the piece does not exceed 10 minutes in length. Please be mindful of audiences of all ages. If you would like to use props, you are welcome to if you provide them yourselves. We will be able to provide tables, chairs as well as access to microphones and speakers.
